FIRST STUDY YEAR				
DAT/SW	Strandvejen	Satisfied with group rooms - but not the shared ones	We try to divide shared group rooms and separate group rooms equally – so it changes each semester.	First Study Year
IxD1	B145	Broken window	It has been reported to CAS.	First Study Year
SW1		Wish for microwaves for heating of food	DAT/SW has bought a microwave for the students, so this should be solved. Semester coordinator is in charge of this.	First Study Year
SW1		Wish for higher tables for tall students	This has been reported to CAS and they are putting extensions on the tables.	First Study Year
IxD1		Wish for table tennis/ pool table	There are football tables in the canteen area.	First Study Year
DAT/SW		Wish for screens/projectors in all group rooms	This can unfortunately not be financed by the First Study Year	First Study Year
DAT/DV		Wish for better variety of food and hot meals	First study year have been in contact with canteen on Strandvejen. It unfortunately been decided centrally that the canteen is unmanned and therefore there will only be cold meals.	First Study Year
IxD1		Bad chairs in group rooms	Students have been asked to report this to CAS. CAS is already	First Study Year

			working on solving this.	
CASSIOPEIA				
All study programmes	Online	More social events	The study board is working on setting up more social events together with student clubs. MS Teams channels has been made with activities and a calendar for planned events An infomeeting has been held for all students to inform about student club activities etc. - you can find the videorecording here .	Study Board
IxD3	Online	Lack of info about F-club and FixD	It has been agreed with F-club that they should be more visible on the first study year especially during corona.	Study Board
IxD5	Online	Block courses combined with non block courses does work well and is stessfull for students	Block courses are on shared courses with other educations at other departments. As far as possible we try not to include this in the planning of the semester.	Study Board
DAT3/IxD3/DAT7	Cassiopeia	Happy about group rooms – however not shared ones	Understandable – but this is a reality in terms of square meters there is plenty of room.	CS department

E20 - Study Environment

Study programme	Building	Problem / Wish	Status	Responsible
DAT3		Wish for card readers instead of keys	Has been reported to CAS earlier. Is part of the larger rebuilding of Cassiopeia.	CAS
IxD5	Design studio	A lot of noise in design studio	Help each other setting up rules so you do not disturb each other.	CS department
SW3/IxD3	Cassiopeia	Better ventilation in group rooms	We expect an improvement of the ventilation system in the rebuilding process of Cassiopeia.	CS department
IxD5	Cassiopeia	Wish for more windows that can be opened	This is not something we can change. There are several windows in the design studio.	CS department
DAT3	Cassiopeia	Wish for kettle, toast machine in group room	This is not allowed due to fire risk.	CS department
DAT3	Cassiopeia 5.1.16	Lack of coat hooks	These have been ordered long ago and finally came and has been set up.	CS department
SW3/SW7/IxD5	Cassiopeia	Lack of hand sanitizer and wipes in group rooms Wish for more reminders about/focus on sanitizing rules/and the keeping of corona rules	These should be available all over the building. Wipes for tables can be fetched at building officers. There are signs everywhere in the building about this. And rules have been communicated several times via Moodle.	CS department
SW9	Cassiopeia	Corona rules are not kept: 8 persons in 4 persons room./ Doors to facemask	We cannot recognize this as we do not have rooms for 4 persons and we try as far as possible to keep	CS department

		free zones are not locked	corona rules. The doors to facemask free zones must be locked but we cannot control that it is over held all the time.	
SW/BAIT3	Cassiopeia	Wish for more whiteboards	This is CAS that is in charge of this. Please report this in building support app.	CAS
SW3	Cassiopeia 2.150	Wish for changing broken sockets	Students should report this in building support app. Department has now reported it to CAS	CAS
IxD	Cassiopeia	Electronics lab is not sufficient in current situation – good if we had other labs as well.	As the “Komponenten” is closed due to corona this limits lab possibilities. A large lab area is planned in connection with rebuilding.	CS department
iDA	Cassiopeia – iDA studio	L-shape results in that teacher only can stand in one place	The teacher is centrally placed by door – so this cannot be changed.	CS department
DAT3/SW3/DV3/SW7	Cassiopeia canteen	Wish for more variations in food in canteen and hot meals	Canteen selection has been sparse during corona. We hope this is improved after corona period. Students should report issue in building app.	CAS
IxD5	Design studio	Wish to use fire entrance for IxD5 only	This is a fire entrance and can only be used for this.	CS department
SW7	Cassiopeia/NOVI9	Wish for more bike parking	According to CAS December 12 2020: This cannot be fulfilled as long as negotiations	CAS
